

A detailed black and white schematic of a printed circuit board (PCB) layout. The board is rectangular with rounded corners and features a complex network of traces and vias. At the top, there are two circular mounting holes. In the upper right corner, a rectangular box contains the letters "SC". The bottom edge of the board has a series of circular pads, likely for a connector. At the bottom center, there are two circular mounting holes. The text "07203061" is printed near the bottom edge, and "TJ 2005" is printed at the very bottom center. The entire layout is enclosed within a thick black border.
